

2021 Harvest Format--All Divisions

2021 Harvest will be Features only.

Outlaw Super Late Models

Teams will be allowed to purchase 4 tires. See Harvest Tire Rule. Harvest 100 field will be a 20 car field. Top 16 cars will be locked in by qualifying times. Qualifying will consist of individual car qualifying, 2 laps. Cars not locked in will run 20 lap B-main starting straight up. Top 4 cars in B-main will transfer to Harvest 100. Transferring B-main cars will be allowed to purchase 2 additional tires (if available).

Fast Qualifier will draw pill 7-10 to determine # of cars that will be eligible for re-draw to determine starting positions.

All teams must abide by Corrigan Oil Speedway General Rules

All cars must meet Corrigan Oil Speedway Outlaw Super Late Model rules.

No mirrors or radios allowed.

Racecievers mandatory.

Corrigan Oil Speedway official start/restart rules apply.

All other Divisions (LMS, MOD, SS, PS, OFWD, PFWD, LEGEND)

Late Model Sportsman & Modified teams will be allowed to purchase 4 tires. See Harvest Tire Rule. Street Stocks will be on F70 tires and are also allowed to purchase 4 new tires or run any used F70 tire. All tires in all divisions will be subject to inspection. NO SOAKING!

Qualifying will be based off of practice times. Fasted lap in any practice session will be qualifying team. Field will consist of 20 cars. Top 16 cars will lock into feature. Cars not locked in will run B-main. B-main laps will be determined by race director depending on car count.

Transferring B-main cars will be allowed to purchase 2 additional tires (if available).

Fast Qualifier will draw pill 7-10 to determine # of cars that will be eligible for re-draw to determine starting positions.
