

**Note: All Destruction General Rules Apply**

**I. Eligibility:**

1. Race cars, Derby and Enduro cars, Vans and Pick-ups. No 3/4 ton or 4 WD.
2. 4 - Cylinders run together and 6/8 - Cylinders run together. Must have a minimum 8 car field.
3. DOT tires only.
4. Helmets, Fire suits, Gloves, Neck Brace and 5 Point Harness Required.
5. Vehicles must have at least one of the following safety features:
  - a. A full cage
  - b. A steel plate at least 1/8" thick that overlaps each end of the drivers door by at least 6 inches and is secured with at least (4) 1/2 inch bolts.
  - c. A spreader bar (large bar, I-beam, pipe just behind seat connecting one side of car to other at bumper height approximately 12 inches off the floor with at least a 8" x 8" plate attached to the bar connected to both sides of the car) required. With out a cage or spreader bar, cars are not eligible to run.
  - d. Other means that meet or exceed the above options and are deemed safe by Spartan Speedway Techs.
6. Drivers door net required.
7. No sharp edges that could cut competitors tires.
8. No Antifreeze.

**II. Concept:**

1. Starting positions will be decided by pill draw.
2. The pace car will lead the field and stay on the track under green for somewhere between 4 and 12 laps, which will be determined by the tower.
3. You may not pass the pace car. If you do you will be disqualified. If a car pushes you past the pace car, that car will be disqualified. It is important to jockey for a front row position before the pace car pulls off.
4. When the pace car pulls to the infield you will have 2 laps in which to win the race.
5. Allowed - Spinning out a competitor, side swiping a competitor, moving a competitor out of your way.

Not Allowed - Crashing or walling a competitor, any excessive or hard hits. Those actions will result in disqualifications.

Purse: 1. \$150 2. \$100 3. \$90 4. \$80 5. \$70 6. \$60 7. Rest- \$50

**(2014)**

**NOTICE: All vehicles must be brought through tech (at scales) and receive an approved sticker before being allowed to race in the feature. You are required to drive to the tech area.**
